

## Getting Started with Apple Music

This guide provides a quick overview to starting your Apple Music listening experience.

After reading this guide, you will know:

- How to Sign In
- How to Create Playlists
- How to Search for Music
- How to Add Music to Your Library and Playlists
- How to Remove Songs from Your Library and Playlists

### What is Apple Music?

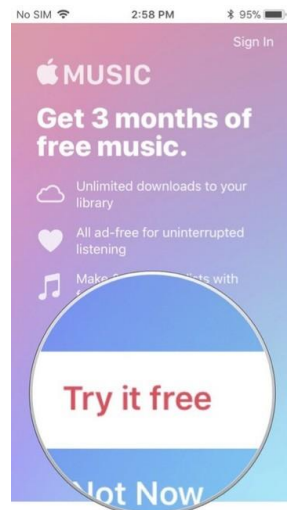

Apple Music is a music streaming app designed for Apple Products - MAC, iPhone, and iPad. Apple Music allows you to listen to music from anywhere, and curate your music library, which is shared across your personal Apple devices, to your own preferences.

### How do I Sign in?

Using Apple Music will require an Apple Account.

1. Open the app. You should see a page offering 3 months of Apple Music for free. Click 'Try it Free' and the Apple Music plan page will appear.
2. Select your preferred Apple Music plan - Individual, Family, or College Student, then click 'Start Trial'.

Step 1

Step 2

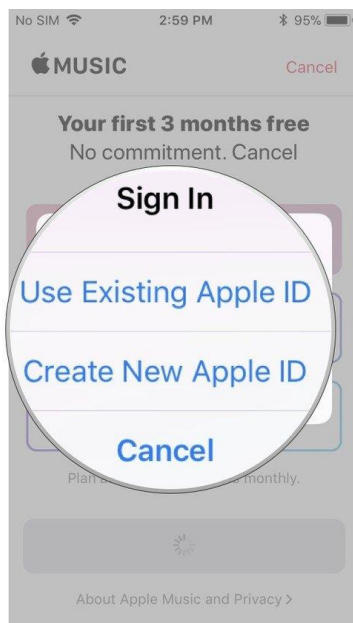

Step 2

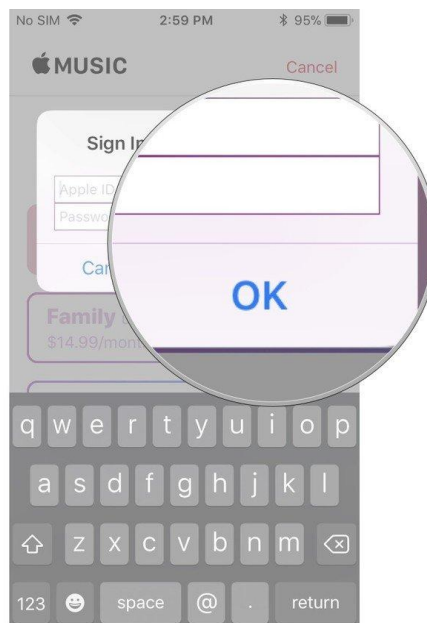

3. A prompt will appear asking you to sign in.

a. I have an account:

- i. Select 'Use Existing Apple ID' and sign in using your Apple ID and password.
- ii. After you click sign in, a notification will be sent to your other Apple Devices asking for permission to sign in to your Apple account on a new device. Click 'Allow'.
- iii. Enter the two-factor authentication code sent to your other Apple Devices and you will be logged in to your account.

Step 3ai

Step 3aii

b. I do not have account:

- i. Select 'Create New Apple ID'.
- ii. Fill in the information on the new page and toggle 'Agree to Terms and Conditions' to make an Apple Account.
- iii. Click 'Continue'.
- iv. A text will be sent to your phone with a verification code. Enter the verification code and you will be logged in to your account.

Step3biv

## How do I Create a Playlist?

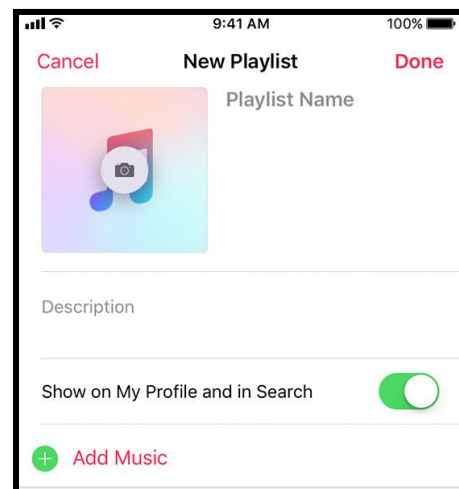

1. Navigate to the 'Library' Page.
2. Click on 'Playlists' at the top of 'Library' Page to reach the 'Playlists' Page.
3. Click on 'New Playlists' at the top of the 'Playlists' Page. A new playlist should appear.
4. Click on 'Playlist Name' to give the playlist a name.
  - a. Optionally, click on the camera to the left to add a photo to the playlist. You will be prompted to take a picture or select one from your photo library.
  - b. Optionally, click 'Description' to add a description to your playlist
  - c. Optionally, toggle the option 'Show on My Profile and in Search' if you would like your playlist to stay private.
5. Click 'Done' in the upper left corner.

Step 1, 2

Step 3

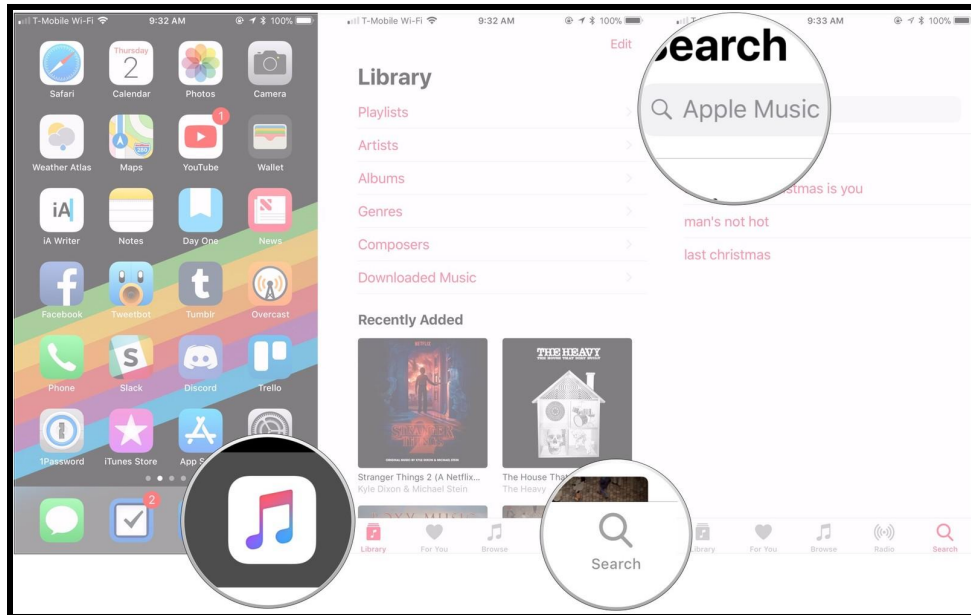

Step 4, 5

## How do I Search for Music?

Search is useful for finding Songs, Artists, and Albums.

1. Navigate to the 'Search' page.
2. Click on the Search Bar at the top of the page.

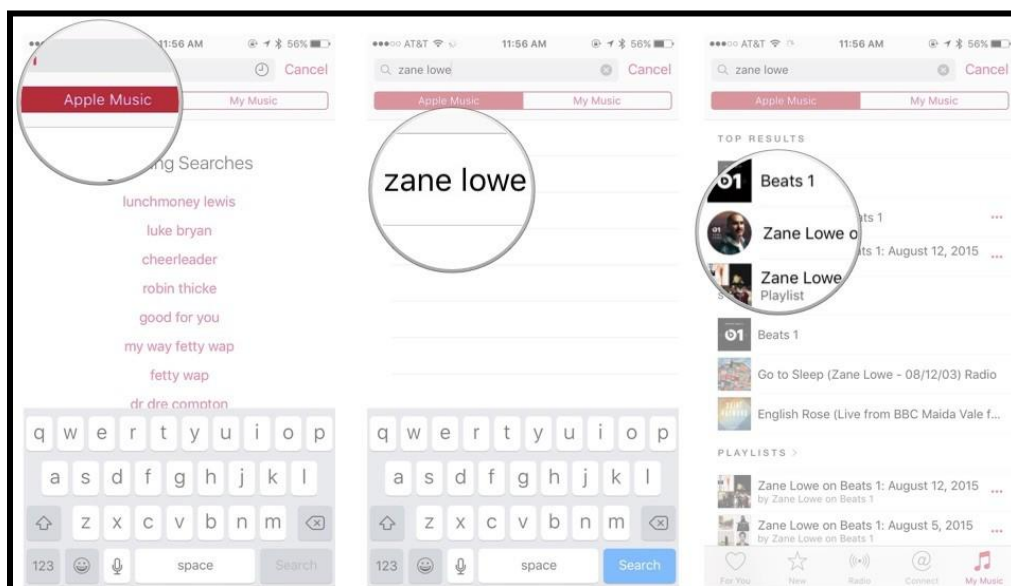

Step 1

Step 2

3. Select your Search option right below the Search Bar.
  - a. Selecting 'All Apple Music' searches the entire Apple Library while selecting 'My Music' searches your personal music library.
4. Enter your Search terms to find a particular Artist, Album, or Song by name.
  - a. Songs can also be searched through song lyrics.

Step 3

Step 4

## How do I Add Music to My Library?

### From Search - Add a Song

1. After receiving search results, add a Song to your library by clicking the '+' next to the song.

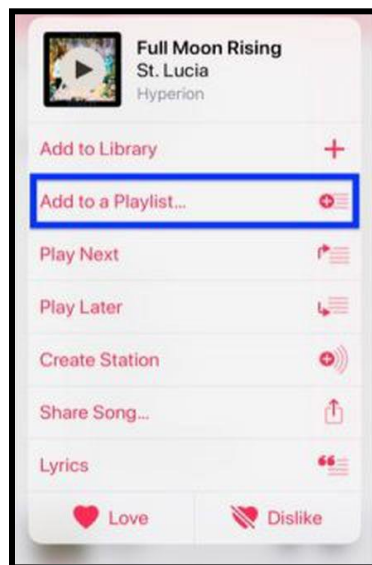

### From Search - Add an Album

1. After receiving search results, click on an Album. This will take you to the Album page.
2. Click the 'Add' button right below the Album info.

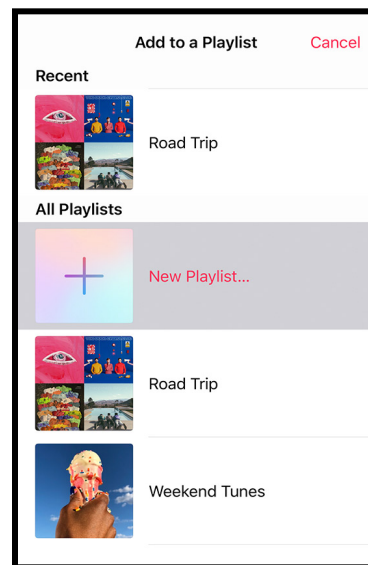

## How do I Add Music to My Playlists? (Automatically Adds to Library as well)

### From Search - Add an Album or a Song

1. Press and hold down on a Song or Album.
2. Select 'Add to a Playlist'.
3. Select one of your playlists to add the Song or Album to.

Step 2

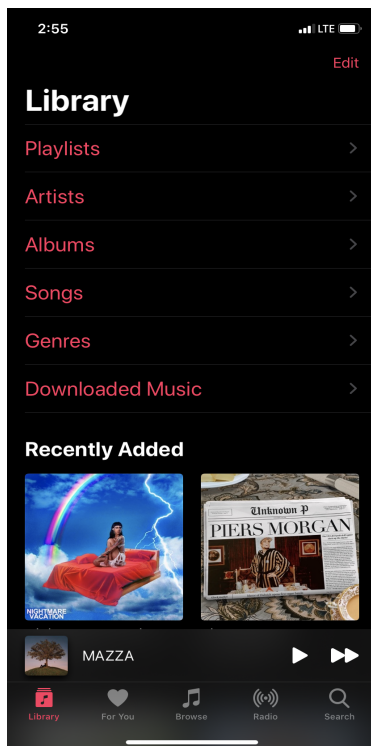

Step 3

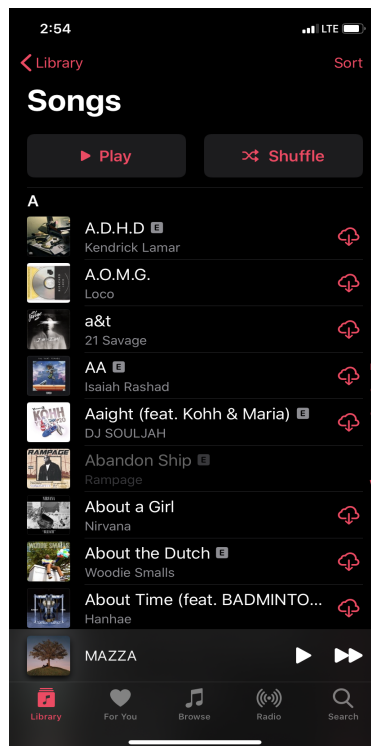

### From Library - Add a Song

1. Navigate to the 'Library' Page.
2. Click on 'Songs' to reach the page showing Songs in your Library
  - a. Songs are ordered Alphabetically
3. Find the Song you want to add, then press and hold on the Song.
4. Select 'Add to a Playlist'.

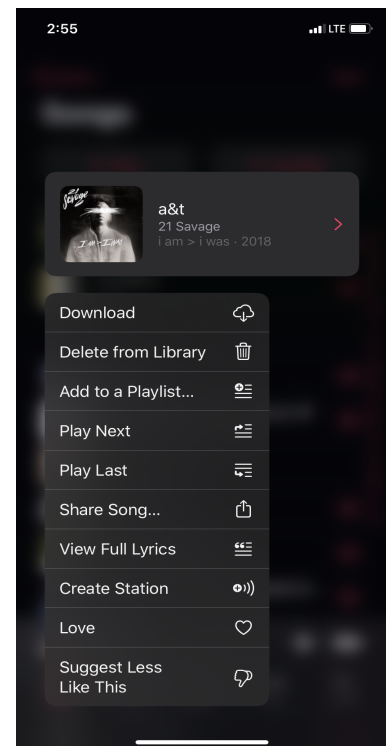

5. Select one of your playlists to add the Song or Album to that playlist.

Step 1

Step 2

Step 3

## How do I Remove Songs from My Library (and all Playlists)?

1. Navigate to the 'Library' Page.
2. Click on 'Songs' to reach the page showing Songs in your Library.
3. Find the Song you want to remove, then press and hold the Song.
4. Select 'Delete from Library'.

## How do I Remove Songs from My Playlists?

1. Navigate to the 'Library' Page.
2. Click on 'Playlists' at the top of 'Library' Page to reach the 'Playlists' Page.
3. Select the Playlist you want to edit.
4. Find the Song you want to remove and swipe left on the song.
5. Click 'Delete'.
